INTRODUCTION

One of the main objectives of Run Norwich is to provide a platform for charities to raise money and awareness of their cause.

Since Run Norwich began in 2015, official race charities, including Nelson's Journey, Big C, SERV Norfolk, NARS, Age UK Norwich, Community Sports Foundation and Norwich & Central Norfolk Mind have raised over £300,000 through the race.

The 10-kilometre event returns to the city on Sunday 21st July 2019 and we're delighted to announce, that alongside race organisers CSF, there will be an additional two causes chosen as 'Official Run Norwich 2019 Race Charities'.

To be considered, charities are invited to submit their applications by **Friday 23rd November** (5pm).

Any 'added value' that charities can bring may be, for example:

- The promotion and/or organisation of the event through their own activities (press & media coverage, marketing).
